<sup>1</sup> Serial number is a 5 digit number found on the back of the clicker

<sup>2</sup> If other is checked it must have an explanation

1. Clicker and Vehicle Registration. For clickers that you already have, please note that each clicker must be registered with the HOA and are for immediate family only. Here is the information needed:

- Home Owner Name
- Serial Number of Clicker (6 digit number found on the back of the clicker)
- Copy of **CURRENT VALID** Car Registration for all vehicles and cars that will be using the clickers.

Example: You have two clickers and require a third one. You need to supply **valid**(not expired) registrations for all three cars. You may erase (white out) all information **except** name, address, license plate, make, model (body), year and expiration date. Clicker cost is \$35.00
